In *Cool Kids*, kids watch "Cool Kids TV" episodes and then create their own *Cool Kids* video that shows the skills they've learned for being cool at home, play, and school. Each grade will focus on different topics related to building character, being good friends, being leaders, giving respect, showing responsibility, and having confidence. Kids in the class receive *Cool Kids* pencils, backpack tags, and a copy of the video they made.

Schools in the Highland Park, Dallas, Richardson, Frisco, Austin, and Tyler ISDs use the Cool Kids curriculum in guidance lessons and for character education. Dr. Brad is the creator, author, and producer of the Cool Kids program and is a Staff Therapist at the Pastoral Counseling and Education Center on Lemmon Avenue. www.coolkidschannel.com, DrBrad@coolkidschannel.com
